

24-Bit Compartment Storage Rack with RFID Locker and Charging points for Laptops/iPad/Tablets	
Quantity – 2 No's	
Parameter	
Materials	Steel
Colour	White and black or Others
Lock	Password and IC card (Emergency key open)
Charging Number	24
Size	900*470*1573 (single size 270*440*110)
Function	
Open	①Password ②IC card ③Etc.,
Vents	Locker door with vents
Door	90° open
Interface	One AC adapter + Two USB charging interface (in each door)
Circuit characteristics	
Charging	USB and AC adapter
Input	100-240V
Input frequency	50-60HZ
Electric current	2.4A
output voltage	5.2V
Dielectric strength	1500V
Resistance	100 mΩ
Charging Number	24
