

Dear Parent,

We have successfully started coaching for SAT, on campus through Princeton Review. We currently have a batch with 18 students from class 12 attending the program at school. Since many of the class 11 students have also requested for SAT classes we propose to start another batch from 19th August 2017. SAT has gone through a lot of changes this year in their pattern and even the number of times it is conducted, per year. Since SAT is an aptitude test with the three main components being Quantitative (Math), Verbal (English) and Analytical (Logical Reasoning); preparing for the same can help students with various other tests.

Currently the school has engaged Princeton Review to conduct SAT coaching on campus. Their proposal is attached along with this letter. We would like to offer this to all interested students of class XI. List of students who have shown interest from the class of 2018, is attached herewith. In case your child's name is on the list and you are fine with her/him going through the coaching program, kindly send your consent (as per the format given below) through an email to **hrc@thelawrenceschool.org** by **18th August, 2017**.

In case your child has not shown interest but you feel it can help her/him, we request you to talk to your child and let us know of your decision.

Kindly refer to the pricing given in the proposal and in case you require more information on the same you can contact the following personnel:

V Karthikeyan – The Lawrence School Lovedale – 8903622744

Gowtham – Princeton Review, Coimbatore – 9840547974

Thank you

Rajan Narayanan
Deputy Headmaster
